## *Candidate For Director 2021*

Together, we can continue to make Briar Patch Village a great place to live and build an even stronger, more productive, vibrant, and friendly community to call home!

### *About Stefanie*

I moved to Briar Patch Village about 5-1/2 years ago with my husband, Jeremy, and our youngest daughter, Sedona, 11. Our neighbors in BPV have truly become our "Florida family." I work part time as a Creative Manager. We homeschool our daughter, and I manage a large, well-respected homeschool group, with over 1,100 members. As an entrepreneur and volunteer, I have served on, and chaired, numerous committees through public and private schools, park districts, chambers of commerce, local government, and churches. I also served as an Elected Director on a Board of Directors for a chamber of commerce in Illinois. I have earned several awards throughout my career, and I have maintained an honorable reputation as a trustworthy, honest, transparent, and sincere businessperson.
